Dear Ms. Kirkland,

I am a resident of Pickens County and own land bordering Reedy Cove Creek. Reedy Cove Creek is an asset to my land and enhances my family's and my enjoyment of the property. I would like to ensure that the creek remains pristine and protected for future generations.

Because the majority of Reedy Cove Creek is within DNR land, it is one of the most beautiful and easily accessible creeks in the South Carolina. Its waterfalls provide scenic enjoyment to residents and tourists alike. Reedy Cove deserves the highest level of protection that can be offered by DHEC. I support the effort to reclassify Reedy Cove Creek from Freshwater to Outstanding Resource Water.

Sincerely,
